Anglo Saxon Magic, Medicine & Wisdom - Chris Sempers
Far from being ignorant savages, our ancestors the Anglo-Saxons had a wealth of knowledge unknown today. If you need to cure cursed land, deal with Elf Shot, build a sundial, find stolen cattle, make a drink against temptations of the Devil or break bewitchments, you'll find the remedies here. Also includes a full, new translation of the Anglo-Saxon Rune Poem £6.95

An Alternative Almanack of Unlikely Saints - Chris Sempers & Elizabeth St. George. A quirky and fascinating calendar of saints ancient and modern, real, unreal, sweet and unsavoury. A compendium of folklore, prayers, spells and weatherlore. Not for the easily offended, but if you would like to know who to pray to to protect your garden shed, or rid yourself of chilblains, then this is the place to look £4.95

Rites of Shadow - E.A.St.George
A classic Witchcraft Manual, originally published as the *Devil's Prayerbook*. Packed with spells, seasonal rites and lots of background information, including the story of how this book came into being. 120pages PB RRP £9.95 but to Raven customers only £7.95

Voodoo & Santeria - Merle Patrice. A practical introduction to African American magic & spirituality. Includes brief biographies of the deities & how to work with them, how to utilise various magical preparations, plus spells, rituals & a special section of Veves & their uses £2.95

Journeys to the Summerland - Chris Sempers. What happens when we die? Is there such a thing as Life after Death, and if so what is it like? Do our pets go to heaven? All these questions and many more are answered in this first-hand account of one woman's experiences of interaction with the spirit planes and those she calls 'Disincarnated Individuals'. £4.50

Tinctures, Potions and Elixirs - Chris Sempers. Take control of your well-being with this practical guide to modern holistic healing with Herbs, Gemstones and Flowers for home use.
